

About

Since 2011, b-interaktive has been turning classic tabletop games into successful social mobile apps.

Today a team of friends working in two offices has pushed the boundaries of international mobile business even further. Every month, millions of people all over the world and across multiple platforms are playing b-interaktive's games!

Our beloved games!

Dice Clubs

Android, iOS, Windows

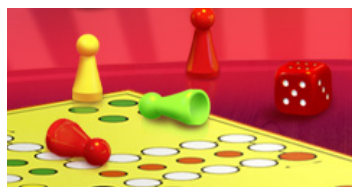

LUDO - Mensch ärgere Dich nicht

Android, iOS

Alpacalypse

Android, iOS
