🎲🎲 really love 💕 this game so come on and play with me, the game is fun, funny, you meet people all over the 🌍🌍🌍🌍 world. 🎲🎲

... and many more!

We are b-interaktive - a passionate and experienced team focused on creating top quality mobile social multiplayer games. 2011 was a year it all started and we've been growing ever since.

Today, our games are played by millions of people all over the world and across multiple platforms.

Putting players first has always been our motto and the great community gathered around our games is as much a part of the b-interaktive team as every creative individual in one of our offices in Germany and Poland.
